
Golden Sea illuminated

On December 22th, 2019, a new type of visual music show, "Taihu Show", produced by world art master Franco Dragone, held its world premiere at Wuxi Rongchuang Taihu Show Theater. Golden Sea brought V3000P, PT330W, V2000W and other cool stage lighting technology to lead the audience through the Wu Yue era of flames and smoke and re-interpret the moving legend of Xi Shi and Fan Li through 2000 years.
