

China National Opera House Perfectly Presented “ the Road ” with Golden Sea ’ s Light

The original opera produced by China National Opera House, “ the Road ” , tells a story that Gao Rutai and his son Gao Han, who were two generations working in state-owned Sheng Li Engine Factory, had worked hard and persistently to realize the dream of domestic heavy truck engine. Golden Sea is honored to provide lighting support with models V4000P and V4000WP.
