Golden Sea Lit Up the World Class Music Festival---EDC

Electric Daisy Carnival (EDC) is one of the top three music festivals in the world. Last year, EDC extended the electric sky over China for the first time, beginning with a show in Shanghai and then another in Zhuhai later. On November 23-24, EDC once again made its way back to Zhuhai, transforming the Chimelong International Ocean Tourism Resort into an enchanting playground for two days.

The carnival ’ s imagination and creativity are evident in their flawless, visually stunning production. Meticulously planned firework displays and costumed performers enhance the beauty of the various stages, which include the gigantic 3-dimensional stage over the limit of traditional stage design. Golden Sea also made its way to the carnival with its fascinating light.
